## Opening of the Holiday Season.

The store is at its best from top to bottomeverything everywhere breathes the atmosphere of Christmas. The gift buying time is here and a most unusual showing of the best gift things are here to meet the demand-when lines are most complete, then is selecting most satisfactory. The completeness and dependability of our

boliday stocks of tine Haviland and Pouyat's "French China" are worthy of the strongest emphasis. Our whole China section is brim full of exceptional gift suggestions. To-day in our south window we make a

grand heliday showing of Ponyat's Famous China. On the center counters on the Main Floor we make a partial showing of fine imported French and Austrian Fancy China. Combined with the tremendous stock, occupying half of the third floor, we contend that is the most important showing of Fancy China over seen anywhere

in this section. Just a few hints-they will serve as an index to scores of other hints not pointed, but equally important to those who have gifts to
